Ordering Information

MEDIA – Please provide either traditional photographs, a CD with high resolution digital files, or e-mail files to orders@kreativenotions.com Digital files will only be accepted in jpg format. Please see Photo Tips.

Quality – All photos are enhanced to be the best sharpness and best color possible. We are happy to convert your image(s) to B&W upon request at no extra charge. Red eye removal is also included. Each bag may have one picture twice or two different photos (one photo per side of the bag). Horizontal photos work best, however, a vertical photo can often be cropped to fit or it can be turned to a 90o angle.

IMPORTANT: The quality of your photo bag image is dependent upon the quality of the photos or digital files provided! Read Photo Tips carefully to avoid delays and/or substandard quality images.
